

WEEKLY REPORT
Air Division
Environmental Protection Agency
Region 9
Week Ending October 21, 2016

Significant Items for Last Week (October 17-October 21)

Green Power Partnership Leadership Awards: On October 17, the Acting Regional Administrator presented the Green Power Leadership Awards at the 21st annual Renewable Energy Markets conference in San Francisco. These awards were presented to sixteen Green Power Partners from across the country for advancing the nation's renewable energy market. Five of the sixteen awardees were from Region 9. (Contact: Cara Gillen, 2-3382)

Arizona Cement Plants Regional Haze Reconsideration: Deliberative Process (b) (5)

[REDACTED]
(Contact: Krishna Viswanathan: Personal Privacy 6)

South Coast - Surplus Off-Road Opt-In for NOx (SOON) Program: On October 18, the Acting Regional Administrator signed a Federal Register notice finalizing approval of a South Coast rule implementing the SOON program, an off-road incentive rule with mandatory participation for certain fleets. (Contact: Laura Lawrence: 2-3407)

West Coast Climate Strategies Forum in San Diego: On October 19, we participated in a panel discussion on aligning regional actions with state and federal policy. We used this as an opportunity to describe the tools and resources EPA has to offer to promote climate mitigation and adaptation goals. (Contact: Ben Machol, 2-3770)

South Coast Reasonably Available Control Technology (RACT): On October 19, the Acting Regional Administrator signed a Federal Register notice proposing partial approval and partial disapproval of South Coast Air Quality Management District's demonstration that it implements RACT for the 2008 8-hour ozone standard. Deliberative Process (b) (5)

[REDACTED] (Contact: Stanley Tong, 7-4112)

Coachella Ozone Attainment Plan: On October 19, the Acting Regional Administrator signed a Federal Register notice proposing to approve the Coachella Valley attainment plan for the 1997 8-hour ozone standard. (Contact: Tom Kelly 2-3856).

Making a Visible Difference (MVD), Imperial Valley: On October 21, we made a presentation at the 2016 Environmental Health Leadership Summit on *Advancing Clean Transportation Through Community Engagement*. The summit focused on air pollution and health issues, including discussion on the Salton Sea, asthma, and citizen science. (Contact: Priyanka Pathak, 2-3576)

Significant Items for This Week (October 24– October 28)

Public Hearing - Collins Pine Prevention of Significant Deterioration Permit (PSD): On October 27, we will host a public hearing and a public information meeting on the proposed Collins Pine PSD permit modification, in Chester, CA. Environmental groups requested a public hearing. (Manny Aquitania, 2-3977)

Significant Items for Next Week (October 31 – November 4)

Nothing to report.

Significant Items for the Next Two to Three Weeks (November 7– November 25)
